HIGH-WAVE —
HANNES WETTSTEIN 2007

Severe volumes for amazing functionality. Hannes Wettstein designs "architecture for rest" of classic elegance, without giving up ergonomic comfort. An upholstered bed with classic shape and proportions which is embellished by a vertical cord placed on the padded headboard. The inside of the headboard houses a moving mechanism with two positions to ensure adequate support for a comfortable reading position. All versions in the Wave range can be ordered with a structure equipped with a large storage container. The feet have a shiny chrome finish.

Dimensions in centimeters and inches. The right to discontinue and make changes is reserved. This information is based on the latest product information available at the time of printing.
