

BRANCH TABLE

Jakob Wagner

cappellini

The frame of the Branch table is made of identical aluminum elements that come together to form a unified whole. Can be chrome or lacquered in the same color as the top, which is available in glass or medium-density fiberboard, lacquered white, anthracite or mud, and in natural oak or wenge-stained oak.

Materials used_

Top:

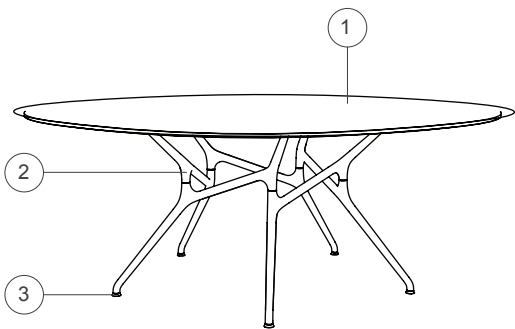

1. Panel cluster of medium-density wood fiber mat lacquered white, anthracite or mud. Proposed version also veneered in natural oak or oak stained wenge painted transparent open pore. For BR_1V - 2V - 3V and 5V are available with tempered glass transparent extra.

Base:

2. Modular elements in polished aluminum or powder-coated white, anthracite or mud

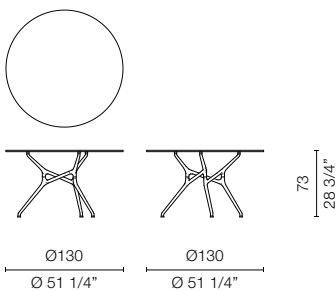

Feet:

3. Adjustable metal pads
